

\$8,000 Cash-Back Incentive for New Travel Franchisees with Dream Vacations/CruiseOne

Low-cost, home-based franchise eliminates barriers to success with Cash-Back Incentive Program

Fort Lauderdale, Fla. (July 6, 2016) – Home-based travel franchise Dream Vacations/CruiseOne has made an investment in the success of its newest franchise owners by recently launching a new Cash-Back Incentive Program for entrepreneurs passionate about travel who are interested in selling all types of vacation experiences. New franchise owners who join Dream Vacations/CruiseOne between now and Dec. 31, 2016, have the opportunity to earn back a portion of their initial franchise fee.

“The success of our franchise owners is our only business and this program demonstrates our commitment to their business growth,” said Tim Courtney, vice president of franchise development for Dream Vacations/CruiseOne. “Our business development and training programs assist franchisees in kick-starting their business, enabling them to take advantage of this incentive program and receive financial relief.”

The amount that franchisees can earn back through the Cash-Back Incentive Program is based on the annual commissionable sales at the end of their first contract year and can total nearly \$8,000. The refund ranges in value from \$1,000 up to \$6,947, depending on the franchisee’s sales. As an added bonus to the plan, monthly fees for new franchise owners are waived for up to nine months, a value of \$900.

“Small business owners who are part of a franchise system are set up for success because they have access to proven systems, advanced technology, corporate support, ongoing training and so much more,” added Courtney. “And owning a home-based travel franchise is truly a low-risk opportunity because with our Cash-Back Incentive Program it is possible to earn back the initial fee within the first year of business ownership, making the franchise practically free”

Another valuable incentive currently offered for prospective franchise owners is the opportunity for military veterans to win a free travel franchise through the franchisor’s fifth annual Operation Vetpreneur contest. The total grand prize is valued at \$12,500 and more information can be found at www.OperationVetpreneur.com.

Dream Vacations/CruiseOne seeks franchisees who are passionate about travel, helping others and are eager to go into business for themselves, but not by themselves. No experience in travel or sales is necessary; all new franchise owners attend intensive 6-day training at Dream Vacations/CruiseOne’s world headquarters in Fort Lauderdale, Fla., where they learn how to use the franchisor’s industry-leading booking systems and get an introduction to the cruise and resort vacation industry. New franchisees can open their home-based business for less than \$10,000 and work anywhere with an Internet connection.
