

Home-Based Travel Agencies Continue Dominance as Top Private Companies in Florida

CruiseOne® and Cruises Inc.® Recognized by South Florida Business Journal and Florida Trend

Fort Lauderdale, Fla. (August 16, 2016) – Leading home-based travel agencies CruiseOne® and Cruises Inc.®, which are part of World Travel Holdings, continue to dominate the travel agency sector of private companies in Florida. The *South Florida Business Journal* and *Florida Trend* included the agencies on their annual lists of Top Private Companies based on revenue for the fifth and third year in a row, respectively.

“These two recognitions along with the Top Workplaces Award we won earlier this year from the *South Florida Sun Sentinel* are a testament to our corporate headquarters team and the support they provide to our network of home-based franchisees and independent vacation specialists,” said Debbie Fiorino, senior vice president of CruiseOne and Cruises Inc. “We truly believe that the success of our agents is our only business. These accomplishments validate our efforts in making business dreams come true and inspire us to continue providing the best all-around support, services and resources in the industry.”

For five years in a row the regional business magazine *South Florida Business Journal* has ranked CruiseOne and Cruises Inc. on its annual Top 100 Private Companies list and this year the home-based travel agencies jumped up five spots and ranked 26th.

Florida Trend is a statewide magazine focusing on the business and politics that shape Florida, and it ranked CruiseOne and Cruises Inc. 182 out of 225 private companies that are headquartered in Florida. The only travel agency on this prestigious list, this is the third year in a row that CruiseOne and Cruises Inc. have been included.
